

CLASS #1

Sunglasses

Dezmon Jay is looking to purchase new shades. He is preparing for his summer beach vacation in sunny Florida. He needs protective eyewear to prevent harmful ultraviolet rays from damaging his eyes. He will spend most of his time saltwater fishing on a boat and needs polarized lens for protection from the glare caused by the sunrays reflecting off the water. He prefers glasses that are shatter- resistant, light weight and can handle high boat speeds. His favorite colors are black and blue. His budget is \$70.

Item #1

Blackout Polarized INCOGNITO

General Features:

- Removable, 6-millimeter Hyperlift inserts help improve stability during your workouts
- Cushion foam offers cushioning with every step
- Directional traction pattern delivers a secure grip
- Low, flat and wide heels with TPU heel clips provide added stability and traction on a variety of surfaces.
- Rubber wraps on the sides for abrasion resistance
- Lace closures promote a secure fit
- Graphic details add a touch of style
- "Get Stronger Every Day" wording on the tongues

Price \$48.00

Item #2

Shady Rays Blackout

General Features:

- Sport frame with strong grip made for high speeds. Great for running, hiking and climbing, water-sports, and other high impact activities.
- Durable matte black wrap-around frame
- Black shatter-resistant lenses with grey tint featuring 100% UV protection

Price **\$38.00**

Item #3

Black Glacier Polarized

General Features:

- Built for style in sport conditions including running, cycling, volleyball, and other sports with both high speed and constant changes of direction
- Premium Polarized ice blue mirrored lenses with amber tint: 100% UV protection / shatter-resistant / saltwater proof / hydrophobic / anti-reflective
- Durable matte black, 8-base wrap frame with custom geometric design and charcoal grey logo
- Never-slip grip due to ultra-flex temples and rubberized nose pads
- Rimless bottom allows for unobstructed downward view.

Price \$58.00

Item #4

Suncloud Optics Voucher Polarized Sunglasses

General Features:

- Frame fit for medium sized faces
- Custom metal logo plaques
- Polycarbonate lenses provides a great blend of impact resistance and optics
- Lightweight lenses allow you to comfortably wear them all day for your sport performance needs
- Suncloud Optics® polarized lenses selectively filter horizontally reflected, visually interfering light waves known as “glare” for superior visual clarity, definition, color transmission and comfort
- 100% protection from harmful UVA and UVB sun rays

Price \$54.95

Outdoor Equipment – Hiking Backpacks

Due to the COVID-19 pandemic, Dakota was forced to take on a new hobby other than going to the movies. Instead, she picked up hiking, utilizing her local nature trails to both get outside and exercise, but to appreciate nature at the same time.

Dakota goes on 2-4 hour walks so her backpack must be lightweight and have enough room to hold 2 water bottles, at least 15L capacity, and is waterproof to protect her camera and phone. She wants a backpack with secure zippers, that has bright colors, and within her budget of \$40.

Item #1

Outdoor Products Backpack

General Features:

- 17L capacity
- Two elastic mesh side pockets
- Four external zip pockets
- Weight 31 oz
- Compression straps for securing loads
- Front organizer pocket has three internal pockets with plenty of room for accessories
- Available in navy blue (pictured) or black

Price \$29.83

Item #2

Osprey Hikelite 18

General Features:

- 18 L capacity
- Integrated raincover keeps your pack and gear dry in inclement weather
- Two elastic mesh side pockets
- Weight 24 oz
- Two external zip pockets
- Available in orange (pictured), red, navy blue, black, and green.

Price \$59.50

Item #3

High Sierra Loop Backpack

General Features:

- 20L capacity
- Two main zippered compartments
- Weight 27 oz
- Two elastic mesh side pockets
- Available in pink (pictured), neon green, white, and gray

Price \$35.00

Item #4

Eddie Bauer stowaway packable daypack

General Features:

- 20L capacity
- StormRepel® WR finish repels moisture
- Two external zip pockets
- Weight 11 oz
- Lightly padded adjustable shoulder straps with breathable mesh lining
- Two elastic mesh side pockets
- Available in red (pictured) or blue

Item #3

Reebok Forever Floatride Energy 2

General Features:

- The Reebok® Forever Floatride Energy 2 running sneakers maximize flexibility with Floatride Foam and feature a lightweight construction and feel.
 - Neutral running shoes with fabric mesh uppers for lightweight, durable support.
 - Low-cut design for freedom of motion and quicker transitions.
 - Lace-up style with fabric laces and synthetic loops for a secure fit.
 - Breathable mesh lining for a comfortable fit.
 - Cushioned textile footbed provides long-lasting underfoot comfort and support.
 - Floatride Energy Foam core is significantly lighter than traditional EVA foam, providing soft, lightweight cushioning.
 - Durable synthetic outsole with adaptive lugs on the bottom flex to match the foot's natural movement.
 - Weight of footwear is based on a single item, not a pair.
- Weight: 8 oz

Price \$73.51

Item #4

New Balance Fresh Foam Tempo

General Features:

- The New Balance® Fresh Foam Tempo running shoes offer a colorful and supportive ride for your runs around the track.
- Cushioning: Lightweight, flexible response.
- Surface: Road.
- The hypoknit engineered upper provides targeted areas of stretch and support.
- The traditional, lace-up closure, thin tongue, and padded collar help provide lasting comfort.
- A smooth fabric lining offers a great in-shoe feel and it includes a removable foam insole.
- Full-length Fresh Foam midsole delivers lightweight plush and promotes a more natural ride.
- A blown rubber outsole and outside flex grooves provide traction.
- Imported.
- Weight of footwear is based on a single item, not a pair. Weight: 9 oz
