Archer ID: «Archer ID#»  
 Start: «3-D Time» @ Station #

- Center small ring is the X-ring = 12 pts
- LARGE center ring is the HEART-ring = 10 pts
- White area is the VITAL-ring = 5 pts
- Other small rings **are not** considered the X ring.
- Outer white ring is the “replacement core” and is not considered a scoring ring.
- Every other part of the animal is a HIT only = H

*Shapes/locations of scoring rings may vary between targets. The X-ring, Heart ring, and Vital rings will only be those that are located in the actual “heart area.” Some target makers include multiple “kill” zones. Those will not be considered scoring rings for this match.*
