Ties will be decided as follows:

- a. The shooter with the greatest number of center shots (x's) over the course of fire will be placed ahead of the other ties.
- b. By the highest-ranking score in the Prone-3, then Prone-2, and then Prone-1.
- c. By the greater number of center shots in the standing position.
- d. By the highest-ranking score on the last numbered bullseye, in standing (kneeling, sitting and prone – as needed).
