

District 12 Rifle Rule Changes

Non-Conventional Smallbore Rifle Silhouette

The intent of this class is designed for those individuals with rifles in other classes such as Smallbore 3-Position that DO NOT fit the standard Silhouette class that may wish to Smallbore Rifle Silhouette.

1. Rifles fitting into this class are typically Smallbore 3-Position rifles that do make weight, barrel length maximum, non-standard stocks such as a vertical grip.
2. No weight limit, no maximum barrel length.
3. Thumbhole stocks or stocks or pistol grips are only permitted in the non-conventional class.
4. Cheek Rest, Butt stock, fore end, accessory, and other standard silhouette rules apply.
5. Cheek rest may be no higher than centerline of the barrel.
6. Butt-plates and Cheek rest must be neutral and centered – may not be adjusted during a match.
7. Hooks must be removed.
8. As of Sept 2023, this is a Metallic Sight Class Only. No optics.
